GRADUATES FROM SANTA CLARA

Joseph R. Fitzpatrick, youngest son of Judge and Mrs E. F. Fitzpatrick of this city, was graduated from the University of Santa Clara Wednesday, receiving the degree of bachelor of science. Mr. Fitzpatrick stood second in a class of 16 graduates and made a splendid record both in his studies and athletics. He finished his four years of high school in three years and during his regular collegiate course took both classical and scientific courses and so has a thorough education. He also took all of the undergraduate work in law and by so doing will be enabled to finish the two years of postgraduate work in the law school in one year.

During his college life he has been one of Santa Clara's best baseball players and had the unprecedented honor of being elected captain of the varsity team for two successive years.

Joe would have graduated last year had it not been for the fact that he left his studies and enlisted in the navy and served during the late war with Uncle Sam's seamen.

We bespeak for Joe Fitzpatrick a splendid career as a lawyer when next year he enters into a partnership with his father, who is one of the most popular and best versed attorneys in this section of California.

Peterson's mill, which is situated on the Pescadero creek a mile above the Harrison canyon, was burned to the ground last Saturday and is a total loss. The building and machinery were valued at over $10,000 and were insured for $2,000.

The mill was operated by a crew of Seventh Day Adventists who had closed down on Friday and left to attend the Adventist convention in San Francisco. FIFTH ANNUAL HIGH SCHOOL BALL TO BE GIVEN TONIGHT

FREE BOARDER CAPTURED BY OFFICER LARRECOU

SADDLE ROCK RESTAURANT KEEPER DUPED FOR 30 DAYS

Antoine Pacheco wanted free lodging and he is getting it. He will be a guest of Jailer Jim Coleman in San Mateo county's rather neat little jail for the next 30 days, by request of Judge Ray Griffin.

Pacheco also wanted clothing and he got it. He obtained it from the rooms of the Saddle Rock Hotel and he had it about three minutes, until jovial Officer Pete Larrecou collided with Pacheco and a well filled suit case carried by the latter. In the collision Pacheco was separated from the suit case by jovial Officer Larrecou. All three adjourned to the court of Judge Ray Griffin.

The story begins with Pacheco obtaining free board and lodging at the Saddle Rock by representing to L. Ducuing, proprietor, that he was an honest working man in need of both for a few days until he could receive a pay check from his employers.

Thirty days did Ducuing believe Pacheco. On the 31st Ducuing had his doubts of Pacheco. Next he obtained a warrant for Pacheco's arrest on a charge of defrauding an innkeeper. Pacheco started to depart.

Then came the collision with jovial Officer Larrecou, the separation of Pacheco from his suit case, the adjournment to Judge Griffin's court, the sentence and now the free board and lodging, which was what Pacheco wanted in the first place, according to Ducuing.

Pacheco, according to police, told Ducuing he was employed at the base hospital at Menlo Park. And each day Ducuing neatly packed a lunch for him and he carried it out on the hills under the blue sky and devoured it.

Great Pocahontas Hughes expressed the wish that the team of Indianola Council may be kept together to display before other councils the beautiful degree work of the order.

FAMOUS BONZAGNI ROSE BUSH AT LA HONDA NOW IN BLOOM

Visitors to the Bonzagni Lodge at La Honda report that the famous Bonzagni rose bush, declared to be the largest and oldest in the state of California, is now in full bloom and constitutes one of the greatest outdoor attractions to be found in the county.

The bush is more than 60 feet in height, climbing over a great portion of a giant redwood tree. It is 30 feet in diameter and is covered with a mass of huge blossoms. It is estimated by Alex Bonzagni, owner of the property, that the gigantic bush contains more than 6,000 blooms, which are the finest seen in many years on the famous old tree.

Visitors are always welcome at the Bonzagni Lodge, where dinners are served featuring chicken, trout and other specialties served in the finest style. The great veranda of the lodge is being used this year as a tea room, where afternoon refreshments are always ready on short notice. Banquets and barbecues are also being featured and many organizations from San Francisco and San Mateo counties have enjoyed the hospitality at Bonzagni Lodge.

Among these are the members of Stanford Parlor, No. 280, Palo Alto, who recently entertained their guests at the lodge. William Hynes, public administrator of San Francisco, presided as master of the barbecue, which featured roast chicken a la Bonzagni. Sheriff Tom Flynn of San Francisco, Judge Deasy of the San Francisco superior court and many other notables were present.

George Kneese, county surveyor, spent the week end last week with friends at Santa Cruz and Pescadero.

REDWOOD CITY HONORS THE HEROIC DEAD

MEMORIAL DAY EXERCISES INCLUDE PARADE AND SPEECHES

The Memorial Day exercises at the Sequoia Theater and Union Cemetery were in keeping with the spirit of the day. The theater was crowded and a large part of the audience was composed of children who were given a lesson in patriotism. They saw before them men who had fought in the Civil War, men who had fought in the Spanish-American War and young men who had taken their stand for the preservation of the principles of right and democracy in the late great war.

Floyd Granger of the local Legion was the presiding officer and he carried on his duties in a highly commendable manner. In a few well chosen words he spoke of the meaning of the day. He called on Father Kennedy, who prayed that thoughts of the occasion might sink into the hearts of his hearers and asked a continuance of God's blessings upon our nation and people.

P. P. Chamberlain, Redwood City's most highly respected and dearly beloved citizen, post comamnder of the Gen. George S. Evans Post, Grand Army of the Republic, spoke in behalf of his comrades and bade them uncover in honor of the ones who had gone before. Mr. and Mrs. Harry Jameson and their daughter, Inez, gave an instrumental trio that was greatly enjoyed.

The children of the San Carlos school, the local grammar school and Notre Dame Convent each gave numbers appropriate to Memorial Day. These were followed by Lincoln's Gettysburg address, given by by Grover O'Connor os7a7890$....... Everett Hogan. The address was made by Grover O'Connor of San Francisco. Mr. O'Connor was eloquent and his words went straight to the point of patriotism. The address was just the right length and even the smallest of his hearers enjoyed it all.

Mrs. H. Zimmerman in a remarkably sweet voice sang "The Star Spangled Banner."

William J. O'Brien then sang "Just Before the Battle, Mother," and the mellowness of his voice and the manner in which he rendered this famous old ballad brought a lump to the throat of many a one there. It would be well also to state here that the Sequoia Theater was donated for the services by Mr. O'Brien, who had everything ready for the convenience and comfort of the assemblage.

The exercises were closed by a benediction by Rev. C. H. Stevens.

The procession to the cemetery was made and the old Grand Army flag so long carried by Louis Werder was borne by his grandson, Brenton Werder, as Mr. Werder did not feel equal to the task of marching this year.

At the cemetery John J. Shields made an address in memory of the unknown dead. Rev. C. S. Thomas gave a prayer, the graves in the Grand Army plot were decorated and so the day was fittingly observed.

THE COBURN CASE

Warrants for the arrest of C. H. Widemann and Andrew Steriling of Pescadero on charges of murder as the result of the death of Mrs. Sarah Satira Coburn four years ago were denied to Attorney William F. Herron of San Francisco by Police Judge Daniel O'Brien at the conclusion of a hearing in San Francisco which lasted several days.

Witnesses from this city included County Clerk Mrs. Elizabeth Nash, Sheriff Michael Sheehan and others. Much contradictory testimony by handwriting experts marked a portion of the court sessions, which reviewed evidence already investigated by the San Mateo county grand jury more than three years ago, according to county officers.

In addition to ruling against the issuance of warrants on the ground of insufficiency of evidence, the court declared that the jurisdiction of the San Francisco county courts had not been established by Attorney Herron's attempt to show that a portion of the murder conspiracy had been planned in that county.

SERVICE STATIONS HELP WOMAN TO BREAK RECORD

Mrs. Kathleen Ayres is a great booster for gasoline service stations. Mrs. Ayres is the woman who last week broke the San Francisco-Portland record by piloting her four cylinder Buick coupe between these cities in 22 hours and 43 minutes. Her time cut down the previous motor car record by 3 hours and 8 minutes and bested the Southern Pacific's crack train, "The Shasta," by 5 hours and 47 minutes.

Mrs. Ayres, in describing her record breaking run, was particularly generous in her praise of the Standard Oil Company's service stations along the road. Stops were made at Corning and Roseburg for Red Crown and Zerolene and the prompt attention given by the service station attendants cut many minutes off the runing time. "And minutes are valuable little things, especially in establishing records," said she.

Mrs. Ayres is chairman of the reception committee of the California Federation of Business and Professional Women's Clubs for their convention to be held in San Francisco June 22, 23 and 24. She made the trip by way of showing that the women of today can keep pace with the men.

Richard Shields arrived from Seattle with his ship last Saturday and spent Sunday here with his parents, Mr. and Mrs. John J. Shields. On Monday he left on a trip for Buenos Ayres, from which he expects to return in about three months.

Redwood Splinters

Frank Alvis of San Gregorio recently bought a new Franklin car. On Saturday he took his friends, Mrs. A. M. Driver, and her two daughters for a ride and started for Redwood City. Near the summit this side of La Honda a shingle truck came around a corner and tried to knock Mr. Alvis and his Franklin down the side of the mountain. It was only partially successful. No one was hurt, but Mr. Alvis was deprived of the use of his car for several days.

Miss Helen Corwin, who has made many friends while serving as a deputy in the office of County Clerk Elizabeth M. Nash, has completed all plans for a trip east which she is to take. She will be away about a month and will visit relatives in Chicago, after which she will go to Pennsylvania to visit her grandmother.

George E. Stafford, the well-known grocer of this city, was operated on and had his appendix removed at the Mills Memorial Hospital last Thursday. He went through the ordeal splendidly and is now rapidly recovering.

Captain Holderman, who was in command of the company in the famous lost battalion which won more renown than any other outfit from America in the late war, was in Redwood City last Monday and addressed the students of Sequoia Union High School. The captain is in charge of recruiting students for the training camp to be held at the Presidio next month. He is an entertaining speaker and told the boys and girls many things which were both interesting and instructive.

The George H. Rice Abstract Company has moved into its new quarters in the Doxsee building on Webster street just across from the court house. The Doxsee building is a beautiful two-story structure which adds materially to the appearance of Webster street. The abstract company will occupy the lower floor. The upper story is fitted for offices. Dr. Norman Mackenzie will be the first tenant in the upper section and will shortly move his office there.

Howard Warner left last Thursday for a three weeks' vacatiln in the east. He will go directly to Maxfield, Ill., to visit his mother, after which he will visit the factory of the Packard Motor Company at Detroit, for which company he is a salesman. During his absence Mrs. Warner and her small son will remain with her parents, Mr. and Mrs. Donald Mackenzie.

Donald W. Williams and family left Thursday for their three months visit in the east. Before their departure Mr. Williams called on all of his friends about town to bid them goodbye.

Mr. and Mrs. John Gill went to Dixon, Solani ciunty, Saturday to attend the funeral of Mrs. Gill's maternal grandmother. The death of the aged lady took place in San Jose the day before and the interment was at the old home of the deceased in Dixon.

William Haaker of Burlingame was here Sunday visiting his mother at her home in Redwiod Highlands.

Mrs. J. E. Ensor was down from San Francisco this week as the guest of her mother, Mrs. Lon Cook.

Attention is called to the professional card of V. Y. Malcolm, chiropractor, in this issue. V. Y. Malcolm was a Stanford man and student at Stanford and served through the late war as a lieutenant. At the close of the war he took the three years' course in chiropractic at the Palmer school in Davenport, Iowa. We are informed that he has installed in his office one of the latest and best X-ray equipments, which has already attracted a great deal of attention among chiropractors who have visited his office.

Mr. and Mrs. I. R. Dains left last Saturday for Illinois, where they will spend five weeks visiting Mrs. Dains' parents. During Mr. Dains' absence his position as agent of the Southern Pacific will be filled by B. J. Fitzgerald, who has lately been stationed at Watsonville.

Joe Cloud was in Redwood City during the past week visiting his uncle, Roy W. Cloud, and family. The young man has been in Australia for the past six years and is now on his way to his old home in Aberdeen, Wash. During his six years in the Antipodes Mr. Cloud came in contact with many interesting experiences and saw many phases of life which do not come the way of the ordinary traveler.

Mr. and Mrs. Emil Kaleschki and Karl Kaleschki motored down from San Francisco Tuesday and spent the day here with friends.

Redwood Lodge No. 650, Fraternal Aid Union, announces a card party to be held on Tuesday evening, June 13, at 8:30 o'clock, in Foresters' Hall. Mrs. George McNulty, Mrs. Charles Locker and Mrs. F. E. George are the committee in charge of the affair.

Jimmy Pease had a bad day last Sunday. The day started all right for James, but in the afternoon he caught for the local baseball team. Early in the game he was hit by a foul ball and later on in the game was put out of the running by receiving a ball on his bean instead of on his mitt. After the ball was over he went on a ride with a friend in a flivver. At San Bruno a bunch of Japs took a dislike to Jimmie's car and ran their machine into it in a head on collision. This time the great grandson of San Mateo county's oldest pioneer took quite a little sleep, but is all right now.

The members of the faculty of the local high school put on their tramping togs and rode up to King's Mountain in autos and Fords last Monday afternoon and enjoyed their annual outing. Steaks and onions and other things were taken along and a dinner at 6 o'clock made them all forget that they ever were teachers. As twilight began to gather they finished their stories and came back to Redwood City renewed in health and vigor and more determined than ever to teach the young idea how to shoot.

Increased facilities for the serving of ice cream and light lunches and additional stocks of candies and smokers' supplies will be carried in the new store, which will be ready for business next Monday, it is announced.

ECONOMY BEGINS AT HOME

President Harding has cut the expense of maintaining the White House by $128,500 in the last ten months below the figure for the same period last year. The reduction has been made possible through the curtailment of the program of entertainment and in the cost of operation of the executive offices. The saving represents a cut of over 40 per cent.

Mr. and Mrs. C. E. Childs, formerly of Palo Alto but now residents of San Diego, are in Redwood City passing two weeks with their daughter, Mrs. Alex Cuthbertson, and the family.

Joe Wise, former owner of the Sequoia Shoe Hospital here, is wondering what kind of liquor they drink in Washington. He recently received a letter from Washington, D. C., postmarked and dated just 24 hours previous to its arrival here. Too fast for aeroplane mail, Wise's friends declare. But the worst part of the story is that the letter, although addressed to Joe Wise and bearing a $20 check was not intended for him. "The government owes me nothing," Wise stated. The check was made out to a former soldier.

THE TRAINING CAMP

Mayor George W. McNulty has requested the Times-Gazette to give publicity to the training camp which is to be held this year at the Presidio, San Francisco, from July 6 to August 4. The camp will be in charge of regular army officers who will give the boys who enroll a month of regular army tactics, maneuvers and training.

The training will be good for any boy and the life at the camp is such that it will benefit those who enter both physically and mentally. We most highly commend the course to our high school boys. Applications to attend the camp should be addressed to Citizens' Military Training Camp, Presidio of San Francisco.

Uniforms, quarters, food, laundry and amusements will all be furnished free to applicants of good moral character.

SOME IMPRESSIONS

We spent an evening at the city hall recently and watched the city fathers talking over the affairs of our municipality. They had considerable business and were kept until late. During the week doubtless each one of the five had municipal affairs to attend to and gave his time to the consideration of that business. Week after week and month after month the trustees are attending to Redwood City business. They never get much thanks for their services and they get mighty little pay. Their salary is $10 a month. Think of it—$10 a month. The mayor of our city gets $10 a month also.

If we want to amount anything as a municipality we will have to give our trustees more compensation for their labors. The municipalities to the north of us and to the south give $25 a month. This is not very much, but it is over twice as good as we do. We move that the salary in Redwood City be increased to $25 a month.

Two things in the past month have happened in neighboring communities that have caused us to think about things in general. One was the shooting of a high school boy, the other was the birth of a baby that hasn't any father.

These things didn't happen in Redwood City, but they might well have. Why? Because the young people have nothing to do in the evenings and nowhere to go. Those who go down town after dark must go to the movie, to one of the pool rooms or must hang around the streets. Some few go to the library, but they are not many. What Redwood City needs more than anything else is a good community house where the boys and girls can congregate any night they wish and play games or dance under proper supervision. We would respectfully suggest that the chamber of commerce purchase the Foley building, move it to a corner of the baseball grounds and turn it into a first class community house. We are glad to note that the chamber of commerce took up our suggestion for a playground. Here is another good one, Mr. Manager. What do you think about it?

Willie Kamm, third baseman for the Seals, has been sold to the Chicago White Sox for $100,000 and two other ployers valued at $45,000. In other words, this young man is worth $145,000 to Charley Comiskey, manager of the Sox. This is some husky price to pay for a minor leaguer, but he is evidently worth the price. The thing that impresses us in the matter is the statement of the manager of the Seals. He says that Willie Kamm is always trying to play a better game than his last one and that he never smokes or drinks. His mother says he is home every night by 10 o'clock.

FOR BONES TRY PALO ALTO AND MENLO PARK

Southern San Mateo county may yet be sharing honors with Neanderthal, Germany, and Piltdown, England, if discoveries of human skulls and bones continue to be unearthed in Palo Alto and Menlo Park.

Latest reports are that bones of historic interest were uncovered by a steam shovel working at the corner of University avenue and Bryant street, Palo Alto, last Monday.

The find follows close upon that of a human skeleton unearthed at Melo Park last Wednesday and the finding last week of a skull buried on the compus of Stanford University.

The last, believed by university authorities to be of scientific value, has been sent to the Smithsonian Institution at Washington for comparison with copies of the famous Neanderthal remains, for which has been named the celebrated Homo Neanderthalensis, which science considers to have been the first human animal.

Mrs. Lila M. Kirkpatrick, Miss Janet Ferguson and Miss Cora E. Clute went to San Francisoc Saturday and on Sunday went over to Berkeley to witness the graduating exercises of the San Francisco State Teachers' College, which were held in the Greek Theater, University of California. Among the graduates was a niece of Miss Clute, Miss Dorothy Clute, daughter of Bert Clute, formerly station agent at Menlo Park.

Mrs. Anderson and little son arrived some days ago and are visiting at the home of her parents, Mr. and Mrs. Davidson of the San Carlos grocery.

J. J. Mitchell, a retired naval officer, expects to leave soon for Davenport, Iowa, where he expects to take up the study of chiropractic. He will be followed by Mrs. Mitchell and Jimmy Jr. about a month later. Mr. Mitchell hopes to complete his course and come home with his sheepskin in about 18 months.

A big barbecue will be held in the hills back of San Carlos Sunday, the 4th, under the auspices of the new organization, the San Carlos Improvement Club. This will be an old fashioned get together affair and everybody and his dog is expected to be on hand to enjoy the fine eats and the general good time. All hammers and knockers will be buried in the same grave.

Secretary C. C. Loser of the Greater San Francisco Speedway Association will become a daily commuter between San Francisco and San Carlos from now until June 14, while he is busily engaged in getting everything in apple pie order for the Shriners' big day at the speedway during their golden jubilee convention at San Francisco. A record crowd is expected at San Carlos on that day.

As official printers for the National League of Postmasters, California branch, Mr. and Mrs. Thomas B. Nichols of Mayfield were here to consult the president of the league J. E. Cowgill, respecting circular matter and other literature which is to be gotten out covering the convention of the national league, which is to meet in San Francisco in September of this year. When Mr. Nichols was connected with the Redwood City Democrat he handled the printing for Cowgill while he was general chairman of the Order of Railway Telegraphers, and since he took over the management of the Mayfield News, which was about the same time that Cowgill was elected state president of the postmasters' league, he has been doing the work for the California branch of that organization. Having been chosen official printer at that time Cowgill was advanced from the office of state secretary-treasurer to that of state president.

Grover (Curly) Landers, the big restaurant and cafe man of Los Angeles, motored up from that city a few days ago for a visit with his old friend, J. Eddy Perry. Just a little over 20 years ago "Curly" Landers and Eddy Perry worked in the same modest cafe in the windy city of Chicago at a very moderate wage, Landers as a waiter and Perry as a musician. At the time of the 1915 fair they came to California and went into business on their own account. Mr. Perry recently retired and bought his beautiful country home here and Mr. Landers is owner and manager of seven finely equipped and genteel eating and amusement places in Los Angeles. Recently he paid $60,000 for a new place on Spring street. These two young men are still in their thirties, but both have arrived, owing to their splendid thrift, business and ability and being the kind of fellows to make friends and keep them.

Mr. and Mrs. A. J. Lockie returned home Tuesday night from an auto camping trip in the Santa Cruz section. They report a good time and plenty of fish to eat.

Miss Ella Urch has returned to her home in Vallejo after a week's visit at the home of her sister, Mrs. A. W. Russell, on Cherry street.

Babylon is daily becoming more popular as one of the unique places down the peninsula for dinners and banquets of various kinds given, under the auspices of clubs and fraternal societies and those given in honor of debutantes and brides-to-be. Only last Thursday a number of the millionaire members of the Beresford Club made up a dinner party in honor of Miss Barbara Stettheimer, daughter of Mr. and Mrs. Walter W. Stettheimer of Atherton, and Julius O. Adler of New York City, whose engagement was recently announced and who are to be tied in the holy bonds of matrimony some time in the month of September next. That the bride elect might be given a taste of the drudgery, turmoil and perplexities which are asociated with her prospective husband's profession and as a happy surprise to the honored guests the hosts had previously set up in the banquet hall a miniature newspaper plant comprising every detail that goes with the makeup of one of our modern dailies—composing room, editorial room, telegraph instruments, baldheaded editor and the colored newspaper boys (the kind they have back east), rushing pell mell into the streets on the water front at Babylon crying in their shrillest tones: "New York Crimes! New York Crimes," carrying the latest announcement of the popular Stettheimer-Adler engagement. It was indeed a unique and delightful affair and one that should impress the bride-to-be with the importance of her future husband's position and one that should bring to him her unbounded sympathies. Mr. Adler is vice president of the New York Times. The guests were Miss Stettheimer, Mr. Adler, Mr. and Mrs. Stettheimer, Mr. and Mrs. Walter Heller, Mr. and Mrs. Alfred Meyer, Mr. and Mrs. James Schwacher, Mr. and Mrs. Richard Shainwald, Mr. and Mrs. Louis Sloss, Jr., Mr. and Mrs. J. W. Lilienthal, Mr. and Mrs. James Rauchoff, Mr. and Mrs. M. Bessinger, Mr. and Mrs. Philip N. Lilienthal, Miss Emily Greenbaum, Miss Edith Goldstein, Messrs. Charles and Joseph Ehrman, Howard Rauchoff, Gustave Schwartz, Leon Schwartz, Jr., Theodore Lilienthal.

Mrs. M. E. Stanley, who has just returned from an extended visit at the home of her daughter at Fallon, Nev., has stopped here for a visit with her daughter, Mrs. Rufus O. Cook, at 220 Magnolia avenue, before going to her home at San Miguel.

Mrs. B. F. Shepherd of Santaquin, Utah, arrived last Monday for a visit with her daughter, Mrs. P. J. Sullivan. Mrs. Shepherd also has a daughter living in San Francisco.

While the proposition for a sanitary district was defeated by an overwhelming majority at the recent election, yet the assessor and the five commisisoners were elected unopposed. The board, while left with no sanitary district to preside over, should prove of great assistance to Dr. J. G. Null, our deputy health officer. This will give them a little official practice while we are biding the time when conditions may shape themselves sufficient to warrant our calling another election, when the proposition will undoubtedly have a greater promise of success for the reason that practically every home owner will be back of it.

A. J. Buneman, accompanied by his charming wife and little daughter, who has been absent for the past month looking after his work as one of the deputies connected with the state insurance commission, is expected to return home within a short time.

HOME ROBBED WHILE FAMILY ATTENDS FUNERAL

Jewelry and silverware valued at several hundred dollars were taken from the home of Roy Peterson, 719 Warren street, here last Sunday afternoon while members of the family were attending the funeral of Mrs. Aurora Grainger, sister of Mrs. Peterson.

Entrance was gained by breaking in a rear door. Police Chief O. L. (Mickey) Collins immediately took up the trail and furnished descriptions of the stolen property to police of the bay district.

CONGREGATIONAL CHURCH

Mrs. Carl Muller, who has been spending the past six months at San Diego at the home of her daughter, Mrs. Willard Coburn, returned to Redwood City last Sunday.

SAN CARLOS TO HAVE A CHAMBER OF COMMERCE

For the reason that the name, the chamber of commerce, is associated with business development and the promotion of comemrcial endeavor, whereby the membership is largely made up from the business element of the community, those politically inclined and other interested in exploiting real estate and subdivision propositions or to fight labor organizations, for some time a large number of the property owners and the home builders of San Carlos have looked upon the chamber of commerce as a misnomer when associated with the idea of community collective co-operation for the general good of the individual home owner, particularly in a suburban section largely devoted to the building of homes and where but few business concerns are located and where there is but little demand for business on a large scale. While the sentiment for a separate organization independent of the chamber of commerce has been developing for some time no one has volunteered to take the lead until since the recent election on the sanitary district R. P. Hurlbut has taken the initiative and has personally taken the matter up with the people of San Carlos in the form of a petition to find out if there was a real demand for such an organization. About 85 per cent of the residents have signed the petition up to this time. Notices will be mailed out for a meeting to be held in the school house next Thursday evening for the purpose of effecting a permanent organization and for the adoption of by-laws and the election of officers. There will be no political slate made in advance. As it is the wish of those assisting Mr. Hurlbut in the movement to endeavor to elect the men or women for the offices who are particularly fitted for the work, the natural men and women for the places and who can't possibly have any personal axes to grind. The name of the association will probably be the San Carlos Improvement Club or whatever name the majority may decide upon at the initial meeting.

Argo accompanied the girls and rooted for them throughout the contests.

For Ten Dollars and Ninety Cents—This 30 x 3½ Usco

THE 30 x 3½ tire situation today is just this—

The man who buys an USCO at $10.90 is justified in believing that his money is going farther in tire value than it *ever has gone* or *could go* before.

Naturally he appreciates the quality of USCO. That was established *long ago.*

It is still fresh in his mind that USCO *led the national market* into the $10.90 price range.

* * *

The makers of U. S. Tires *always* intended the 30 x 3½ USCO to be the highest value in its field.

At $10.90 it creates a *new classification of money's worth.*

More mileage—the result of complete vaporization

It isn't gasoline that explodes in the cylinder of your car and makes power.

It's gas—air, mixed in the carburetor with gasoline to form vapor.

Red Crown gasoline *vaporizes completely.* It forms a homogeneous mixture with 12 to 16 times its volume of air. That mixture explodes cleanly and powerfully, leaving comparatively little carbon residue on valves, spark plugs and cylinder walls.

That's why you get better mileage out of "Red Crown"—and a cleaner, sweeter-running engine.

Fill at the Red Crown sign—at Standard Oil Service Stations, at garages and at other dealers.

The school trustees of the Menlo Park school district are advertising for bids for an addition of two rooms to be built onto the old structure at its rear to cost between five and six thousand dollars. Cleaning Without Odor by the

F. Thomas *Process*

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes

Our equipment to redistill and purify our cleaning fluids alone represents a bigger investment than many cleaners have in their entire plant. That is why our work has no odor.
